

# **Tuition Payments & Discounts, Financial Assistance, and Ticket Sales policies**

## **Tuition Payments**

Ensemble tuition is per student per ensemble, at the rates posted on the registration forms online. For each new academic year, full tuition is due by the **second** scheduled rehearsal of that student's ensemble. For any summer session, tuition is due by the first scheduled rehearsal of that summer session. **\*All paid tuition is Non-refundable.\***

## **Tuition Discounts & Incentives**

**Sibling Discounts** - a 10% tuition discount is available for students with a sibling enrolled in an FVYC ensemble for the academic year. The discount applies to all siblings if more than one is enrolled.

Please note that tuition discounts will not compound, so the maximum discount each student can receive per ensemble is 10%.

## **Summer Session Tuition & Discount**

Summer session tuition is per student per ensemble. Sibling discounts apply for summer camp tuition as well.

## **Financial Assistance**

FVYC works to ensure that students are not turned away due to financial status, and assistance is available to students/families who qualify. Funding is limited, so we encourage those who need assistance to register early, and to complete the financial aid application at that time.

## **Ticket Sales Participation – Academic Year**

**Concert Tickets:** In our 2018-2019 concert season, each student is expected to sell at least 2 tickets per concert. Tickets cost \$5 each. When a student turns in the money for the first 2 tickets sold, they can receive 2 additional tickets.

*These policies are subject to change each season as the organization regularly reviews its financial status and ability to offer aid.*
